Notice to policyholders

This document details the main changes to the updated policy wording. It does not contain a record of every amendment or those made to individual client policies. Please ensure that you read in full any documentation provided in conjunction with the updated policy wording to determine the full terms, conditions, limitations and exclusions of the policy cover.

Part F - Public liability

Abuse - Cover

- Abuse cover is still provided although new claims, for incidents which occurred after renewal, will need to be made during the period of insurance and will be subject to an annual limit of indemnity of £5,000,000. Multiple incidents to a claimant will constitute one claim which will be recorded as the date the first claim was made against the insured.
- Associated definitions of Abuse and Abuse Event have been included for clarity.
- This cover is also subject to a series of conditions which reflect best practice for those customers who care for children and/or vulnerable adults.

Part L - Motor

Law Applicable - Special Condition

- A new law applicable special condition has been added so that the law and courts of the place where the vehicle is used for the majority of the period of insurance applies. If there is any disagreement about which law applies, the law and courts of the place where the vehicle is registered will apply.
