Important notes

Not applicable to parts M, N and T

Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- check your personal data against counter fraud systems
- use your information to search against various publicly available and third party resources
- use industry fraud tools including undertaking credit searches and to review your claims history
- share information about you with other organisations including but not limited to the police, the Insurance Fraud Bureau (IFB), other insurers and other interested parties.

If you provide false or inaccurate information and fraud is identified, the matter will be investigated and appropriate action taken. This may result in your case being referred to the Insurance Fraud Enforcement Department (IFED) or other police forces and fraud prevention agencies. You may face fines or criminal prosecution. In addition, Zurich may register your name on the Insurance Fraud Register, an industry-wide fraud database.

Claims history

We may pass information relating to claims or potential claims to the Claims and Underwriting Exchange Register (CUE) and the Vehicle Salvage & Theft Data (formerly known as MIAFTR), where the data is controlled by the Motor Insurers' Bureau, and other relevant databases.

We and other insurers may search these databases when you apply for insurance, when claims or potential claims are notified to us or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Employers' Liability Tracing Office (ELTO)

We are members of the Employers' Liability Tracing Office (ELTO), an independent industry body who maintains a centralised database that helps those who have suffered injury or disease in the workplace to identify the relevant Employers' Liability insurer quickly and efficiently.

It is important, for the services of ELTO to be fully effective, that you inform us of your ERN (Employer Reference Number also known as the Employer PAYE reference) and all subsidiary company names and their ERNs if applicable.

As members of ELTO we will forward details of your policy if it contains Employers' Liability cover to ELTO together with details of any ERNs you have supplied to us.

Motor Insurance Database

We work in partnership with the Motor Insurers' Bureau (MIB) and associated not-for-profit companies who provide several services on behalf of the insurance industry. At every stage of your insurance journey, the MIB will be processing your personal information and more details about this can be found via their website: mib.org.uk.

Information relating to your insurance policy will be added to the Motor Insurance & Policy Data (MIPD) managed by the Motor Insurers' Bureau (MIB). MIPD and the data stored on it may be used by certain statutory or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- a) electronic licensing;
- b) continuous insurance enforcement;
- c) law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
- d) the provision of government services or other services aimed at reducing the level and incidence of uninsured driving.

If a vehicle of yours is involved in a road traffic accident (either in the United Kingdom, the EEA or certain other territories), insurers and/or the MIB may search the MIPD to obtain relevant information.

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MIPD.

It is vital that the MIPD holds correct registration numbers for your vehicles. If incorrect details for any of your vehicles are shown on the MIPD you are at risk of having the relevant vehicle seized by the police. You can check that correct registration number details for your vehicles are shown on the MIPD at www.askmid.com.

The **insured** must notify the **insurer** as soon as possible during the period of insurance if there is any change in circumstances which materially increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change the **insurer** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to the **insurer** then the **insurer** may no longer be able to provide the **insured** with cover.

If the **insured** does not notify the **insurer** of any such change this policy may be affected in one or more of the following ways depending on what the **insurer** would have done had the **insurer** known about the change in circumstances:

- a) if the **insurer** would not have continued to provide the **insured** with any cover the **insurer** may treat this policy as if it did not exist from the date of the change in circumstances; or
- b) if the **insurer** would have applied different terms to the cover the **insurer** may treat this policy as if those different terms applied from the date of the change in circumstances; and/or
- c) if the **insurer** would have charged the **insured** a higher premium for providing the cover the **insurer** will charge the **insured** the additional premium which the **insured** must pay in full.

2. Arbitration

Not applicable to parts K, M and T

If the **insurer** admits liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by the **insured** and the **insurer** in accordance with the law at the time. The **insured** may not take any legal action against the **insurer** over the dispute before the arbitrator has reached a decision.

3. Cancellation

- a) The **insurer** may cancel this policy or any part of it other than any coverage in respect of War under parts R and S by giving 30 days notice in writing by special delivery mail to the **insured** at the **insured's** last known address.
- b) The **insurer** may cancel any coverage provided under parts R and S in respect of War by giving 7 days notice in writing by special delivery mail to the **insured** at the **insured's** last known address.

In the event of a) or b) the **insured** will be entitled to a pro rata return of premium calculated from the date of cancellation.

4. Claims procedures

Not applicable to parts J, K, R and S

a) The Insured's responsibilities

It is agreed that:

- i) on the happening of any circumstance which could give rise to a claim or on receiving verbal or written notice of any claim the **insured** will:
 - 1) as soon as reasonably possible give notice to the **insurer**; and
 - 2) preserve any damaged or defective property for examination by the **insurer's** representatives unless the **insurer** has authorised the **insured** to dispose of such property; and
 - 3) as soon as reasonably possible notify the police in respect of any **damage** caused by theft, attempted theft or malicious persons; and
 - 4) as soon as reasonably possible forward to the **insurer** any notice of prosecution, inquest or fatal inquiry and every letter, claim, writ or summons issued against the **insured**; and

 - 6) at the **insured's** own expense and:
 - A) within 7 days of **damage** caused by riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances or malicious persons

B) as soon as reasonably possible:

a) after the expiry of the Indemnity Period in respect of part B

b) in respect of any other **damage**, interruption or interference with the **business** or injury or disease

supply full details of the claim in writing to the **insurer** together with any evidence and information that may be reasonably required by the **insurer** for the purpose of investigating or verifying the claim

ii) no settlement, admission of liability, payment or promise of payment will be made to a third party without the **insurer's** written consent.

b) Insurer's rights

The **insurer** will:

- i) be entitled to take over the defence or settlement of any claim made against the **insured** or any person entitled to indemnity under this policy and the **insured** will give all assistance as may be reasonably required by the **insurer**; and
- ii) have the right to enter the **premises** where the **damage** has occurred and to keep possession of any of the **property** insured and to deal with the salvage in a reasonable manner but the **insured** will not be entitled to abandon any **property** to the **insurer**; and
- iii) be entitled to take the benefit of any rights of the **insured's** against any other party before or after the **insured** has received indemnification under this policy and the **insured** will give all assistance as may be reasonably required by the **insurer**; and
- iv) not be bound if the **insurer** elects to reinstate or replace any **property** to reinstate or replace it exactly or completely but only as circumstances permit and in a reasonably sufficient manner and will not in any case be bound to expend in respect of any one item insured more than the sum insured stated in the schedule.

5. Compulsory insurance

The **insured** must repay the **insurer** any amounts which the **insurer** is required by compulsory insurance legislation to pay out under this policy to the extent that the **insurer** would not otherwise have been liable to make such payments on account of a breach of any of the terms or conditions of this policy.

6. Fair presentation of the risk

- a) At inception and renewal of this policy and also whenever changes are made to it at the **insured's** request the **insured** must:
 - i) disclose to the **insurer** all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.
- b) If the **insured** does not comply with clause a) of this condition and the non-disclosure or misrepresentation by the **insured** is proven by the **insurer** to be deliberate or reckless the **insurer** may from the relevant date specified in clause d):
 - i) treat this policy as if it had not existed; and
 - ii) not return the premium paid by the **insured**.
- c) If the **insured** does not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless the cover, meaning this policy or the changes made to it, may be affected from the relevant date in clause d) in one or more of the following ways depending on what the **insurer** would have done if the **insured** had known about the facts which the **insured** failed to disclose or misrepresented:
 - i) if the **insurer** would not have provided the **insured** with the cover the **insured** will have the option to treat the cover as if it had not existed and repay the premium paid for such cover; or
 - ii) if the **insurer** would have applied different terms to the cover the **insurer** will have the option to treat this policy as if those different terms apply; and/or
 - iii) if the **insurer** would have charged the **insured** a higher premium for providing the cover the **insurer** will charge the **insured** the additional premium which the **insured** must pay in full.
- d) Clauses b) and c) apply with effect from inception, renewal or the date of the changes, depending on when the non-compliance occurred. The **insurer** may also recover any claims payments which have already been made to the extent that the cover under which such payments were made is being treated as if it did not exist or as if it had been subject to different terms under which the claim would not have been payable.

- e) Where this policy provides cover for any person other than the **insured** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession the **insurer** will not invoke the remedies which might otherwise have been available to the **insurer** under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular insured person other than the **insured**.

Provided always that if the person concerned or the **insured** acting on their behalf makes a careless misrepresentation of fact the **insurer** may invoke the remedies available to the **insurer** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

7. Fraudulent claims

If the **insured** or anyone acting on the **insured's** behalf:

- a) makes a fraudulent or exaggerated claim under this policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this policy for loss or damage which the **insured** or anyone acting on the **insured's** behalf or in connivance with the **insured** deliberately caused; or
- e) realises after submitting what the **insured** reasonably believed was a genuine claim under this policy and then fails to tell the **insurer** that the **insured** has not suffered any loss or damage; or
- f) suppresses information which the **insured** knows would otherwise enable the **insurer** to refuse to pay a claim under this policy

the **insurer** will be entitled to refuse to pay the whole of the claim and recover any sums that the **insurer** has already paid in respect of the claim.

The **insurer** may also notify the **insured** that the **insurer** will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If the **insurer** terminates this policy under this condition the **insured** will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of the **insured** this condition should be read as if it applies only to that insured person's claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

8. Long term agreement

This condition will be applicable separately to each part of this policy unless otherwise stated in the schedule.

In respect of such parts to which this condition applies and in consideration of a discount being applied to the premium for those parts the **insured** agrees to offer annually the insurance under each of those parts on the terms and conditions in force at the expiry of each period of insurance and to pay premiums in advance.

Provided always that:

- a) the **insurer** will be under no obligation to accept an offer from the **insured**; and
- b) any changes to the rate of Insurance Premium Tax or Value Added Tax or other taxes or levies will be paid by or allowed to the **insured** as the case may be; and
- c) the **insurer** may adjust the rates, premium, terms or conditions of this policy to reflect:

 - ii) any material change in the geographical distribution of the risk by which the exposure of the **insured** to natural hazards is increased
 - iii) acquisitions or disposals of property, assets, companies or subsidiaries of or by the **insured**
 - iv) increases or decreases in sums insured, declared values, wage rolls, turnover, vehicle numbers and other estimates including indexation, change in Average Weekly Earnings index and other inflationary measures for each annual period of insurance
 - v) any change in the availability or costs to the **insurer** of reinsurance protection
 - vi) any legal requirement to do so

- vii) any change which occurs in Legislation or the interpretation of any Legislation by any court, tribunal or arbitration, any government or regulatory body or ombudsman. For the purposes of this clause 'Legislation' shall mean any enactment, subordinate legislation, law, regulation, decree, treaty or instrument in force in any country or territory

which, in the opinion of the **insurer**, has a material effect upon the scope of cover or indemnity provided under this policy; and

- d) in respect of parts L and O only rates will be amended at each renewal date in line with the annual change in the Average Weekly Earnings index.

If the **insurer** elects to adjust the rates of premium or amend the terms and conditions of this policy in accordance with the provisions above then the **insured** may at its option terminate the long term agreement or continue the long term agreement with the amended terms.

Payment of the first or renewal premium will be deemed acceptance by the **insured** of this agreement.

9. Observance

The due observance and fulfilment of the terms and conditions of this policy by the **insured** in so far as they relate to anything to be done or complied with by the **insured** will be a condition precedent to any liability of the **insurer** to make any payment under this policy.

10. Other insurances

Not applicable to parts J, K, M, R, S and T

If at the time of any occurrence giving rise to a claim there is any other insurance or risk transfer mechanism or other similar arrangements effected by or on behalf of the **insured** providing an indemnity the **insurer's** liability will be limited to its rateable proportion. If any other insurance is subject to any provision whereby it is excluded from ranking concurrently with this policy in whole or in part or from contributing proportionately the liability of the **insurer** under this policy will be limited to any excess beyond the amount which would be payable under such other insurance had this policy not been effected.

11. Policy interpretation

Each part of this policy is declared to be a separate contract but will be subject to the general definitions, general exclusions and general conditions.

12. Premium adjustment

If any part of the premium is calculated on estimates supplied by the **insured** an accurate record will be kept by the **insured** containing all information relative thereto and the **insured** will allow the **insurer** to inspect such record. The **insured** will within one month from the expiry of each period of insurance supply to the **insurer** such particulars and information as the **insurer** may require. The premium for such period will thereupon be adjusted and the difference paid by or allowed to the **insured** as the case may be subject always to the minimum premium stipulated.

13. Reasonable care

Not applicable to parts R and S

The **insured** will comply with all regulations imposed by any competent authority and take all reasonable precautions to prevent or minimise accident, injury, loss or damage. This Part of the policy will apply as specified in the schedule and should be read in conjunction with part L.

Section 1 – Special Definitions

The following wordings have these meanings wherever they commence with a capital letter in this Part of the policy

Costs and Expenses

All reasonable, proportionate and necessary costs chargeable by the Representative and agreed by the **insurer** in accordance with the DAS Standard Terms of Appointment.

Also the costs incurred by opponents in civil cases if an Insured Person has been ordered to pay them or pays them with the **insurer's** agreement.

DAS Standard Terms of Appointment

The terms and conditions (including the amount the **insurer** will pay to a Representative) that apply to the claim, which could include a conditional fee agreement (no-win, no-fee).

Where a law firm is acting as a Representative the amount the **insurer** will pay is currently £100 per hour. This amount may vary from time to time.

Date of Occurrence

For civil cases, the date of the event that leads to a claim. If there is more than one event arising at different times from the same originating cause, the Date of Occurrence is the date of the first of these events. (This is the date the event happened, which may be before the date the **insured** first became aware of it.)

Insured Person

The **insured** and any passenger or driver who is in or on the Insured Vehicle with the **insured's** permission. Anyone claiming under this section must have the **insured's** agreement to claim.

Insured Vehicle

Any Vehicle as defined in part L.

Period of Insurance

The period for which the **insurer** has agreed to cover the Insured Person.

Preferred Law Firm

A law firm, barrister or tax expert the **insurer** chooses to provide legal or other services. These specialists are chosen as they have the proven expertise to deal with the Insured Person's claim and must comply with the **insurer's** agreed service standard levels, which the **insurer** audits regularly. They are appointed according to the DAS Standard Terms of Appointment.

Reasonable Prospects

The prospects that an Insured Person will recover losses or damages, make a successful defence or make a successful appeal or defence of an appeal, must be at least 51%.

A Preferred Law Firm, on the **insurer's** behalf, will assess whether there are Reasonable Prospects.

Representative

The Preferred Law Firm, law firm, or other suitably qualified person the **insurer** will appoint to act on the Insured Person's behalf.

Territorial Limit

Uninsured Losses

Losses which an Insured Person has incurred as a result of a road traffic accident which was not their fault, and which are not covered under the motor insurance to which this policy attaches.

REPORTING A CLAIM

Please do not ask for help from a lawyer, before the **insurer** has agreed that the **insured** should do so. If the **insured** does, the **insurer** will not pay the costs involved even if they accept the claim.

Phone the **insurer** on **0800 783 6066** as soon as possible after the accident to speak to one of the **insurer's** dedicated customer claims handlers. If the **insured** is calling from outside of the UK, please phone the insurer on **+44 29 2085 4069**

Section 2 – Cover

Insured Incidents

Costs and Expenses incurred to recover Uninsured Losses after an event which causes:

- (a) **damage** to the Insured Vehicle or to any property belonging to an Insured Person in or on the vehicle; and/or
- (b) death or bodily injury to an Insured Person whilst travelling in or on the Insured Vehicle.

The **insurer** agrees to provide the insurance described in this policy section, in return for payment of the premium and subject to the terms, conditions, exclusions and limitations set out in this policy section, provided that:

- 1 Reasonable Prospects exist for the duration of the claim
- 2 the Date of Occurrence of the insured incident is during the Period of Insurance
- 3 any legal proceedings will be dealt with by a court, or other body which the **insurer** agrees to, within the Territorial Limit
- 4 the insured incident happens within the Territorial Limit

What the insurer will pay

The **insurer** will pay a Representative, on behalf of an Insured Person, Costs and Expenses incurred following an insured incident, provided that:

- (a) the most the **insurer** will pay for all claims resulting from one or more event arising at the same time or from the same originating cause is £100,000
- (b) the most the **insurer** will pay in Costs and Expenses is no more than the amount the **insurer** would have paid to a Preferred Law Firm. The amount the **insurer** will pay a law firm (where acting as a representative) is currently £100 per hour. The amount may vary from time to time
- (c) in respect of an appeal or the defence of an appeal, the Insured Person must tell the **insurer** within the time limits allowed that they want to appeal. Before the **insurer** will pay the Costs and Expenses for appeals, the **insurer** must agree that Reasonable Prospects exist
- (d) where an award of damages is the only legal remedy to a dispute and the cost of pursuing legal action is likely to be more than any award of damages, the most the **insurer** will pay in Costs and Expenses is the value of the likely award.

What the insurer will not pay

In the event of a claim, if an Insured Person decides not to use the services of a Preferred Law Firm, they will be responsible for any costs that fall outside the DAS Standard Terms of Appointment and these will not be paid by the **insurer**.

Section 3 – Special Exclusions

This section of the policy does not cover:

- 1. A claim where the Insured Person has failed to notify the **insurer** of the insured incident within a reasonable time of it happening and where this failure adversely affects the Reasonable Prospects of a claim or the **insurer** considers their position has been prejudiced.
- 2. Any Costs and Expenses incurred before the **insurer** accepts the claim.
- 3. Costs and Expenses arising from or relating to judicial review, coroner's inquest or fatal accident inquiry.
- 4. Fines, penalties, compensation or damages which the Insured Person is ordered to pay by a court or other authority.
- 5. Any legal action an Insured Person takes which the **insurer** or the Representative have not agreed to or where the Insured Person does anything that hinders the **insurer** or the Representative.
- 6. A dispute with the **insurer** not otherwise dealt with under special condition 7.
- 7. The Insured Vehicle being used by anyone, with the Insured Person's permission, who does not have valid motor insurance.
- 8. Any claim where an Insured Person is not represented by a law firm or barrister.

Section 4 – Special Conditions

1. An Insured Person must:
 - a) co-operate fully with the **insurer** and the Representative;
 - b) give the Representative any instructions that the **insurer** asks the **insured** to.
2.
 - a) On receiving a claim, if representation is necessary, the **insurer** will appoint a Preferred Law Firm as the **insured's** Representative to deal with the **insured's** claim. They will try to settle the **insured's** claim by negotiation without having to go to court.
 - b) If the Representative cannot negotiate settlement of the **insured's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured** may choose a law firm to act as the Representative.
 - c) If the **insured** chooses a law firm as the **insured's** Representative who is not a Preferred Law Firm, the **insurer** will give the **insured's** choice of law firm the opportunity to act on the same terms as a Preferred Law Firm. However if they refuse to act on this basis, the most the **insurer** will pay is the amount the **insurer** would have paid if they had agreed to the DAS Standard Terms of Appointment. The amount the **insurer** will pay a law firm (where acting as the Representative) is currently £100 per hour. This amount may vary from time to time.
 - d) The Representative must co-operate with the **insurer** at all times and must keep the **insurer** up to date with the progress of the claim.
3.
 - a) An Insured Person must tell the **insurer** if anyone offers to settle a claim and must not agree to any settlement without the **insurer's** expressed consent.
 - b) If an Insured Person does not accept a reasonable offer to settle a claim the **insurer** may refuse to pay further Costs and Expenses.
 - c) The **insurer** may decide to pay an Insured Person the reasonable value of the claim that the Insured Person is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an Insured Person must allow the **insurer** to take over and pursue or settle a claim in their name. An Insured Person must allow the **insurer** to pursue at the **insurer's** own expense and for their benefit, any claim for compensation against any other person and an Insured Person must give the **insurer** all the information and help the **insurer** needs to do so.
4.
 - a) An Insured Person must tell the Representative to have Costs and Expenses taxed, assessed or audited if the **insurer** asks for this.
 - b) An Insured Person must take every step to recover Costs and Expenses that the **insurer** has to pay and must pay the **insurer** any Costs and Expenses that are recovered.
5. If a Representative refuses to continue acting for the Insured Person with good reason or if the Insured Person dismisses a Representative without good reason the cover the **insurer** provides will end at once unless the **insurer** agrees to appoint another Representative.
6.
 - a) If an Insured Person settles a claim or withdraws their claim without the **insurer's** agreement or does not give suitable instructions to a Representative, the **insurer** can withdraw cover and will be entitled to re-claim any Costs and Expenses they have paid.
 - b) If during the course of a claim Reasonable Prospects no longer exist the cover the **insurer** provides will end at once. The **insurer** will pay any Costs and Expenses they have agreed to, up to the date cover was withdrawn.
7. If there is a disagreement about the handling of a claim and it is not resolved through the **insurer's** internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from www.financial-ombudsman.org.uk)

If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, the **insurer** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.
8. If there is a disagreement between an Insured Person and the **insurer** on the merits of the claim or proceedings, or on a legal principle, the **insurer** may suggest the Insured Person obtains at their own expense an opinion on the matter from an independent and appropriate expert. The expert must be approved in advance by the **insurer** and the cost expressly agreed in writing between the Insured Person and the **insurer**. Subject to this the **insurer** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the Insured Person will recover damages (or obtain any other legal remedy that the **insurer** has agreed to) or make a successful defence. This does not affect the Insured Person's rights under Special Condition 7.

9. An Insured Person must:
- keep to the terms and conditions of this section of the policy
 - take reasonable steps to avoid and prevent claims
 - take reasonable steps to avoid incurring unnecessary costs
 - send everything the **insurer** asks for in writing; and
 - report to the **insurer** full and factual details of any claim as soon as possible and give the **insurer** any information they need.
10. If any claim covered under this section of the policy is also covered by another policy, or would have been covered if this policy did not exist, the **insurer** will only pay the **insurer's** share of the claim even if the other insurer refuses the claim.
11. This policy is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where the **insured's** business is registered. Otherwise the law of England and Wales applies. All Acts of Parliament mentioned in this policy include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.

13. any claim where an Insured Person is not represented by a law firm, barrister or tax expert.

Section 4 – Special Conditions

1. An Insured Person must:
 - a) co-operate fully with the **insurer** and the Representative;
 - b) give the Representative any instructions that the **insurer** asks the **insured** to.
2.
 - a) On receiving a claim, if representation is necessary, the **insurer** will appoint a Preferred Law Firm or tax consultancy as the **insured's** Representative to deal with the **insured's** claim. They will try to settle the **insured's** claim by negotiation without having to go to court.
 - b) If the Representative cannot negotiate settlement of the **insured's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured** may choose a law firm or tax expert to act as the Representative. The insurer will choose the Representative to represent the **insured** in any proceedings where the **insurer** is liable to pay a compensation award.
 - c) If the **insured** chooses a law firm as the **insured's** Representative who is not a Preferred Law Firm or tax consultancy, the **insurer** will give the **insured's** choice of law firm the opportunity to act on the same terms as a Preferred Law Firm or tax consultancy. However if they refuse to act on this basis, the most the **insurer** will pay is the amount the **insurer** would have paid if they had agreed to the DAS Standard Terms of Appointment. The amount the **insurer** will pay a law firm (where acting as the Representative) is currently £100 per hour. This amount may vary from time to time.
 - d) The Representative must co-operate with the **insurer** at all times and must keep the **insurer** up to date with the progress of the claim.
3.
 - a) An Insured Person must tell the **insurer** if anyone offers to settle a claim and must not agree to any settlement without the **insurer** expressed consent.
 - b) If an Insured Person does not accept a reasonable offer to settle a claim the **insurer** may refuse to pay further Costs and Expenses.
 - c) The **insurer** may decide to pay an Insured Person the reasonable value of the claim that the Insured Person is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an Insured Person must allow the **insurer** to take over and pursue or settle a claim in their name. An Insured Person must allow the **insurer** to pursue at the **insurer's** own expense and for their benefit, any claim for compensation against any other person and an Insured Person must give the **insurer** all the information and help the **insurer** needs to do so.

4. a) an Insured Person must tell the Representative to have Costs and Expenses taxed, assessed or audited if the **insurer** asks for this.
b) An Insured Person must take every step to recover Costs and Expenses that the **insurer** has to pay and must pay the **insurer** any Costs and Expenses that are recovered.
5. If a Representative refuses to continue acting for the Insured Person with good reason or if the Insured Person dismisses a Representative without good reason the cover the **insurer** provides will end at once unless the **insurer** agrees to appoint another Representative.
6. (a) If an Insured Person settles a claim or withdraws their claim without the **insurer's** agreement or does not give suitable instructions to a Representative, the **insurer** can withdraw cover and will be entitled to re-claim any Costs and Expenses they have paid.
(b) If during the course of a claim Reasonable Prospects no longer exist the cover the **insurer** provides will end at once. The **insurer** will pay any Costs and Expenses and compensation awards they have agreed to, up to the date cover was withdrawn.
7. If there is a disagreement about the handling of a claim and it is not resolved through the **insurer's** internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free arbitration service for eligible complaints. (Details available from www.financial-ombudsman.org.uk)

If the dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, the **insurer** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.
8. If there is a disagreement between an Insured Person and the **insurer** on the merits of the claim or proceedings, or on a legal principle, the **insurer** may suggest the Insured Person obtains at their own expense an opinion on the matter from an independent and appropriate expert. The expert must be approved in advance by the **insurer** and the cost expressly agreed in writing between the Insured Person and the **insurer**. Subject to this the **insurer** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the Insured Person will recover damages (or obtain any other legal remedy that the **insurer** has agreed to) or make a successful defence. This does not affect the Insured Person's rights under Special Condition 7.
9. An Insured Person must:
 - a) keep to the terms and conditions of this section of the policy
 - b) take reasonable steps to avoid and prevent claims
 - c) take reasonable steps to avoid incurring unnecessary costs
 - d) send everything the **insurer** asks for in writing; and
 - e) report to the **insurer** full and factual details of any claim as soon as possible and give the **insurer** any information they need.
10. Apart from the **insurer** the **insured** is the only person who may enforce all or any of this section of the policy and the rights and interests arising from or connected with it. This means that the Contracts (Rights of Third Parties) Act 1999 does not apply to this section of the policy in relation to any third-party rights or interest.
11. If any claim covered under this section of the policy is also covered by another policy, or would have been covered if this section of the policy did not exist, the **insurer** will only pay the **insurer's** share of the claim even if the other insurer refuses the claim.
12. This policy is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where the **insured's** business is registered. Otherwise the law of England and Wales applies. All Acts of Parliament mentioned in this policy include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.
